MEMORANDUM FOR: Assistant Director for Research and Reports

SUBJECT : Locations of Forced Labor Camps in Poland

REFERENCE : (a) Our memorandum of 14 November 1956, K-4530

(b) Your response of 13 December 1956

1. We should like to accept your offer contained in reference (b) and request that your office provide us with the locations of forced labor camps and similar installations in Poland.

2. Following receipt of this information, we plan to ask the Industrial Registry and other Agency components to process any information they may have on those installations identified by your analysts.

3. Any questions pertaining to this memorandum may be directed to [redacted] on extension 3641.
